1842911724	How to Run the Alpha Course – Nicky Gumbel (Last of stock – No longer in print) <i>What is the simplest and most effective means of telling others about Jesus Christ? This book gives the answer that one church has found, and which has been taken up by thousands of churches across the UK and now around the world. The Alpha course has been attended by more than 5 million people worldwide, making Christianity accessible to a new generation. How to Run the Alpha Course imparts the vision, excitement and challenge of Alpha and is for churches that wish to run this course within their communities.</i>
9781905887835	Alpha – Questions of Life – Nicky Gumbel
9781868238804	Die Soeke na Waarheid <i>Millions of people all over the world have now attended an Alpha course, an opportunity to explore the meaning of life, and have been profoundly challenged by its fresh and engaging introduction to the Christian faith. This book contains the talks from the Alpha course. Nicky Gumbel tackles, with honesty and common sense, some of the key questions that we will face when we give consideration to the claims of Christianity, and points the way to an authentic faith that is exciting and relevant to today's world.</i>
9781905887781	Searching Issues – Nicky Gumbel <i>Why does God allow suffering? Do all religions lead to God? Is there anything wrong with sex before marriage? Tough questions that require straight answers. Nicky Gumbel discusses these and other common objections to the Christian faith.</i>
1842910248	After Alpha – Michael Green <i>Attending an Alpha course has given you a strong start in your Christian life. Now that the course is over, you're ready to go deeper. Michael Green provides an inspiring companion to the Christian life, seen within the context of the local church. Building on the ground covered by Alpha, he outlines practical ways in which committed disciples of Jesus Christ can express their faith and impact the world today.</i>
