“HOW TO” DVD SERIES

Families are the “Cornerstone of Society”; however, the Family is in Crisis.

Restoration of the Family is an imperative. Having counseled and facilitated over 3000 homes, a series was compiled by Family LifeChange Centre SA of the most common factors that are influencing the demise of the Family.

In the practical “How to series”, international speakers, Dr. Anthony and his wife, Michelle address “How to” actively deal with these issues and rise above many of the daily battles with our partners, children and family members.
