

### Acknowledgement of Almighty God (Exodus 20:3; 2 Chronicles 7:14; Psalm 9:17 & 127:1)

1. The African Christian Democratic Party (ACDP) believes that South Africa is one nation under Almighty God. Government is ordained by God to preserve the dignity and rights of all the people, to establish justice and to maintain peace and order." - ACDP Policy Principles
2. The African National Congress (ANC) voted to eliminate "In humble submission to Almighty God" from the new constitution and declared South Africa a "secular" nation.
3. Democratic Alliance (DA) voted for the new constitution that excluded "In humble submission to Almighty God" and fails to acknowledge God in any Policy Document or Founding Principle.
4. The Freedom Front Plus (FF) makes reference and acknowledgment of God in various statements. E.g. "marriage is an institution of God solemnized between a man and a woman". Quoted from Legalizing of Same Sex Marriages. Press Release. 1/12/2004
5. Inkatha (IFP) voted for the constitution that excluded "In humble submission to Almighty God".
6. United Democratic Movement (UDM) subscribes to the principles of the South African constitution which excluded "In humble submission to Almighty God"

### The Legalisation of Abortion (Exodus 20:13; Exodus 21:22-24; Proverbs 6:17 & 31:8-9)

7. "We believe that life begins in the womb and that unborn babies should be constitutionally protected... We deplore abortion as a grave evil and a national tragedy." (Policy Document: Abortion and Euthanasia). Voted against abortion legalisation.
8. "We are committed to reducing levels of unexplained and unwanted pregnancy." (ANC Parliamentary speech 29/10/1996). Voted for abortion on demand legalisation.
9. "To be pro-choice does not mean we are pro-abortion. It is the constitutional right of women to make choices about the very private matter of reproduction." (DP Parliamentary speech 29/10/1996). Voted for abortion on demand legalisation.
10. Voted against amendments that would make abortion easier. 19/08/2004 Media: Release: Choice on Termination of Pregnancy Bill <http://www.vryheidsfront.co.za/index.asp?l=e>
11. "Unrestricted access to abortion is not considered by the IFP to be in the best interests of society... the IFP believes abortion should be available in the following cases: Rape; Scientifically determined deformity to the foetus; Danger to maternal health; Pregnant children, with the consent of their parents and medical practitioners." (Health Policy)
12. In the Preamble to the UDM Constitution the UDM subscribes to the principles of the Constitution of the RSA — the Constitution of South Africa is pro-abortion.

### Education: Parent or State Controlled? (Deuteronomy 6:1-7; Psalm 78:4-7; Colossians 2:8)

13. "We reject State interference in religious observances in state or state-aided institutions (schools) ... This right should be controlled by parents and the community, not by the State." (ACDP Policy Document: Reasons for rejecting the Constitution)
14. "The state has the central responsibility in the provision of education and training." (ANC Policy Framework for Education and Training)
15. "Devolution and decentralisation will lead to more partnerships with communities, parents, NGOs and private enterprise... School governing bodies should have the authority to decide on the religious orientation of their school...in terms of the Constitution and the Schools Act." (Policy Document: Liberation Through Education)
16. School and education is an extension of the parent's responsibility in raising their children. The governing body at a school thus becomes very important to make the right decisions representing the parents. Because the parents pay taxes, they see it as their money that the government makes available to the school and their right to make decisions on the ethos of the school. (Parliament Education Debate - 20 May 2003)
17. "Parents must accept their responsibility to work in partnership with schools to develop the full potential of the children of South Africa" (22nd Women's Brigade Annual General Conference) "Education is an extension of the education system. The state, parents, communities and employers should assume joint responsibility for education... Education should be financed from state budgetary allocations." (IFP Education Policy).
18. "The whole system of education should be reformed ... It will require proactive, policy-driven investments to make education and skills training knowledge-based." (UDM Economic Policy Proposals: 4.10. Education and Skills Creation)

### Economy: Free Market or Socialism? (Proverbs 10:2 - 4; Matthew 25:14 - 27; 2 Thessalonians 3:10)

19. "A vibrant open market economy, creating opportunities for all to prosper... Job creation and economic growth through an open-market policy with as little government interference as possible" (ACDP Policy Document: Economy)
20. "We have set for ourselves a competitive, fast growing economy which creates jobs for all, the redistribution of income and opportunities for the poor." ANC Parliamentary speech 14/6/1996 "We have refused the path of unprincipled abandonment of our communist values, our communist organisation, and our commitment to a communist future" (Socialism is the Future, Build it Now! SACP Strategic Perspectives, April 1995)
21. "The DA subscribes to a market economy which respects the principles of private ownership and initiative and which offers rewards to risk-takers and entrepreneurs, but which also recognises that the State has an important role in the development and upliftment of all South Africans" (Policy Document: It's All About Jobs!)
22. Upholds value of free market, but does not rule out potential intervention as a solution. "In a free market, governments sometimes have to intervene..." Speech by Mr. Willie Spies, MP in the National Assembly, Tuesday, 7 September 2004

Christian Action Network interprets the party positions not only by their pronouncements and policy statements, but by analysing the voting patterns and their actions (Matthew 7:20). 28. "The ANC should ...bring back the death penalty" — Pieter Groenewald. Quoted in "Murder of Leigh Matthews justifies the death penalty" (Press Release) 22/07/2004
29. "Support for the death sentence should be tested in a referendum." (IFP Justice Policy)
30. "The UDM recognises the Constitutional Court ruling regarding the death penalty, but will call for a national referendum on the public's insistence." (Crime Prevention Policy Proposals)

### Pro Self-Defence (Firearm Ownership) (Proverbs 25:26; Nehemiah 4:14 & 1 Timothy 5:8)

31. "... the ACDP has and will continue to support the right of law abiding citizens to own and bear arms in self-defence and in defence of their families ..." (Manifesto 2004) Voted against Firearm Control Bill (FCB) 12/10/2000.

38. As early as 1987, the ANC promised it would protect 'gay rights' (Defiant Desire). "The ANC's support for the inclusion of sexual orientation in the equality clause of the Constitution" (50th National Conference in Mafikeng). "the right of all to freedom in regard to sexual preference" (Socialism is the Future, Build it Now! SACP Strategic Perspectives, April 1995)
39. Right to "sexual orientation" (DP Vision, Core Values and Principles)
40. Opposes gay marriage. Media Release: Legalizing of Gay Marriages. 1/12/2004 <http://www.vryheidsfront.co.za>

### Opposes Discrimination Based on Race (Leviticus 24:22)

43. "The ACDP chose to abstain from voting on the Broad-Based Black Economic Empowerment Bill in Parliament ... ownership of the economy should reflect the full demographic extent of our population and that an empowerment policy should be based on allowing competent South Africans equal access to resources... a Bill that might have unintended consequences, placing too much emphasis on group preferences long after economic empowerment has been achieved." (Media Release; 3 September 2003)
44. "In order to redress our legacy of discrimination the (AA) Bill unavoidably recognises groups." (ANC Parliamentary speech 20/8/98). "It was the ANC who put affirmative action on the agenda" (Affirmative Action and the New Constitution)
45. "Group-based thinking, as proposed by this Bill, formed the cornerstone of apartheid, and we have a duty to bear witness against its reintroduction in the guise of getting rid of apartheid" (DP Parliamentary speech 20/8/98)
46. Opposes Affirmative Action. Media Release: ANC Policy Redistributes Poverty, not Wealth. <http://www.vryheidsfront.co.za/index.asp>
47. "... the IFP supports affirmative action so long as efficiency and standards are not compromised. Affirmative action should be implemented by adopting appropriate recruitment practices." (Correctional Services Policy)
48. The UDM believes that specific groups that should be targeted by such an economic strategy should include the youth, women, rural poor as well as informal settlement dwellers. The UDM notes that the present black economic empowerment only empowers a selected few. Furthermore it is racially divisive and excludes most people, irrespective of race, who need to be economically empowered... It is vital that South Africans share an economic and political vision focused on partnership between all the people of South Africa. (Economic Policy Proposals)
