<u>ISBN/CODE</u>	<u>TITLE</u>	<u>AUTHOR</u>
9780882709567	101 Things Husbands do to Annoy their Wives <i>This book gives rational explanations to one of life's great mysteries: why men do the (annoying) things they do. It helps both spouses understand, among other things, why men: dream while driving, don't listen when wives speak, and rattle keys. As this publication shows, we all do dumb things at times--some more than others. Two of the keys to a happy marriage are understanding and forgiveness. Not only will discovering our common idiosyncrasies help you feel better about your marriage, the special chapter "How to Make Your Marriage Blossom" will help you truly bring your relationship to life.</i>	Ray Comfort
9780974930022	Behind the Scenes <i>A collection of over 500 photos, added commentary, and original scripts from the award-winning TV show "The Way of the Master," starring Kirk Cameron and Ray Comfort. The accompanying articles and insights reinforce the witnessing principles taught on this intriguing show, which blends biblical teaching with on-the-street interviews.</i>	Ray Comfort
	A Full House of Growing Pains <i>Barbara Cameron was a typical Southern California mom. She wanted her children to live happy and successful lives, but as they grew up, they turned out to be anything but typical. Two of her four kids became actors on wildly successful sitcoms. Candace played D.J. Tanner on "Full House," and Kirk played Mike Seaver on "Growing Pains." You will be delighted as you see never before seen home movies, look into family photo albums, watch video clips, and meet all of her family in this exciting, intimate, moving, and sometimes humorous DVD, as Barbara and her kids reveal what it was like to grow up in the unique culture of Hollywood.</i>	Barbara Cameron
9780882709222	God Doesn't Believe in Atheists <i>Contrary to popular opinion, the existence of God can be proven - absolutely, scientifically, without reference to faith or even the Bible. It is also possible to prove that the Bible is supernatural in origin. This book will do just that. It will also show the atheist that he doesn't exist, reveal the true motives of the agnostic, and strengthen the faith of the believer.</i>	Ray Comfort
9780883684351	Hell's Best Kept Secret <i>Why are so many unbelievers turning away from the message of the gospel? Doesn't the Bible tell us how to bring sinners to true repentance? If so, where have we missed it? The answer may surprise you. One hundred years ago, Satan buried the crucial key needed to unlock the believer's heart. Now Ray Comfort boldly breaks away from modern tradition and calls for a return to biblical evangelism. If you're experiencing evangelical frustration over lost souls, unrepentant sinners and backslidden "believers," then look no further. This radical approach could be the missing dimension needed to win our generation to Christ.</i>	Ray Comfort

9780974930046	<p>How to Bring Your Children to Christ . . . & Keep Them There</p> <p><i>"Eighty-eight percent of children raised in evangelical homes leave church at the age of eighteen never to return." Nothing is more important than where your kids will spend eternity. As a parent, you don't want to suffer the heartache of your children rebelling against their Christian upbringing. While only God can save us and keep us, there are biblical principles you can implement to help prevent your children from falling away from faith. By countering the unscriptural belief that a child can be saved merely by "asking Jesus into his heart", seasoned evangelist Ray Comfort shares time-tested principles to help you guide your children to experience genuine salvation and avoid the pitfall of rebellion. Filled with creative ideas for family devotions, tips for safeguarding kids from harmful influences, and great suggestions for helping kids learn God's holy standard, the Ten Commandments.</i></p>	Ray Comfort
0882701630	<p>How to Live Forever . . . without being religious</p> <p><i>Ray Comfort has done it again. He once again convincingly reminds us that we are sinners. Yes, ALL of us. But only those who take hold of the rope that God Himself has thrown us—Jesus Christ—will be spared death and Hell. Those of us who take hold of that rope have a responsibility to help save others. But first the lost need to understand that they're in danger and need saving. That's tricky business that gets all tangled up in "religion" and awkwardness. Comfort shows you how to overcome your personal reluctance and gives you some smart strategies for reaching out and handing your end of the rope to another soul. This is a quick-study manual for evangelism for a Christian . . . with a surprising twist. Comfort uses his lesson as a lead into the Gospel of John. This powerful book suddenly segues into a book of the Bible . . . and transforms into a tract.</i></p>	Ray Comfort
9780882707884	<p>How to Win Souls and Influence People</p> <p><i>What do you think matters most in this life? Comfort---a full-time evangelist---believes there's nothing more important than winning souls for Christ. In this practical volume, he shares a wealth of personal anecdotes illustrating important principles of one-on-one and "open air" evangelism. Learn how you, too, can influence the world for God's Kingdom!</i></p>	Ray Comfort
0882701665	<p>Intelligent Design vs Evolution (with DVD)</p> <p><i>Intelligent Design versus Evolution — letters to an atheist is a thought-provoking conversation that runs the gamut between hostility and hilarity.</i></p>	Ray Comfort
9780882709215	<p>Life's Emergency Handbook</p> <p><i>Prepare yourself to face any crisis---including fires, floods, earthquakes, tornadoes, credit card fraud, burglaries, and terrorist attacks! In Life's Emergency Handbook, Kirk Cameron and Ray Comfort provide expert tips on how to handle anything life throws at you---from bankruptcy to killer bees. In a bonus chapter called "Facing Death," they take their message one step further, explaining Christ's gift of eternal life.</i></p>	Ray Comfort
9780882709437	<p>Out of the Comfort Zone</p> <p><i>Most of us have our own "comfort zone"---the place where we feel safe and satisfied. However, circumstances often drive us out from that area in which we feel most comfortable. Such was the case when Ray Comfort found himself being taken 7,000 miles from his homeland in New Zealand, to speak to the daunting residents of the most dangerous part of Los Angeles, California. MacArthur Park was infamous for being the home of murderers, drug addicts, thieves, pimps, prostitutes, and unfortunately, the destitute and homeless. At times, this fast-moving and true-life drama will make your hair stand on end as you enter the dark side of the supernatural. It will also encourage you and lift your faith as you learn how a celebrated Hollywood actor teamed up with Ray Comfort to bring an amazing message to America. Originally published as My Friends Are Dying! and The Power of Darkness. Includes the previously published Miracle in the Making.</i></p>	Ray Comfort
9780882703343	<p>Overcoming Insomnia</p> <p><i>After more than 20 years of suffering from self-induced insomnia, Ray Comfort found a cure. No drugs, no counting sheep, no hot milk . . . no kidding. Overcoming Insomnia offers more than just comfort for the millions who suffer from the problem of insomnia - it gives the answer, and it uses the issue to springboard into a very clear Gospel proclamation.</i></p>	Ray Comfort

Evangelist and author Ray Comfort was one of them, and he found the scriptural way out of his attacks and fears, and wrote this book to help you find the way out of yours.</i></p>	Ray Comfort

0882708791	<p>Scientific Facts in the Bible</p> <p><i>An elderly lady once left \$20,000 and "my Bible and all it contains" to her nephew. The young man knew what the Bible contained, so he didn't bother to open it. He merely picked it up and put it on a high shelf in his house, and headed for Las Vegas.</i></p> <p><i>It wasn't long until all his money was gone. He lived the next 60 years as a pauper, scraping for every meal and barely having clothes on his back.</i></p> <p><i>As he was moving to a convalescent home, he reached up to grab that old Bible and accidentally dropped it from his trembling hands. It fell to the floor and opened, revealing a \$100 bill between every page.</i></p> <p><i>That man lived his life as a pauper when he could have lived in luxury, simply because of his prejudice. He thought he knew what the Bible contained.</i></p> <p><i>Most people don't know that the Bible contains a wealth of incredible scientific, medical and prophetic facts. The implications are mind boggling...</i></p>	Ray Comfort
9780882700052	<p>Spurgeon Gold</p> <p><i>Are you interested in bringing lost souls to Jesus Christ, of helping them to find a Savior who will change both their destiny in this life and their destination in the next? If you are, than you couldn't have two better teachers than Charles Spurgeon and evangelist Ray Comfort, who compiled this book of great teachings.</i></p>	Ray Comfort
0882702890	<p>Thanks a Million!</p> <p><i>Join Kirk Cameron as he preaches to the crew on a Hollywood movie set. Sit in as he shares the gospel with hardened criminals and murderers in the LA County Jail and with famous celebrities, or preaches "open-air" at a Southern California High School. Be a fly on the wall as a young Christian speaks about spiritual things to actor Jim Carrey, and as Ray Comfort witnesses to atheists, Jehovah's Witnesses, psychics, gang members, and to the "Antichrist" on the "Left Behind" movie set. Be the sidekick of a Los Angeles police officer as he communicates the gospel to a high profile murderer on death row. Thanks a Million! is sheer encouragement with a bucket full of pure adrenaline. It puts you on the set of the Hollywood movie, right on the seat of a plane next to an atheist as he begins to backslide. You get to eavesdrop on the most interesting conversations about the most exciting topics. But this publication isn't meant to be ear-tickling tabloid talk. Its sole purpose is to teach you what to say, how to say it, and then to send you out on your own million dollar adventure.</i></p>	Ray Comfort
	<p>Undertaker's Nightmare</p> <p><i>One hundred daily readings from the Gospel of John. With daily quotes from Charles Spurgeon.</i></p>	Ray Comfort
9780882702209	<p>The Way of the Master</p> <p><i>The Way of the Master is the flagship work of Ray Comfort and Kirk Cameron's organization. It anchors their award-winning television program as well as their radio show and website. Considered by many to be the definitive text on evangelism, this book has been updated, expanded and illustrated with photographs for this edition. It is anecdotal, loaded with commentary that is more conversational than academic. It's an easy read with a hard message that has already changed the face of sharing faith. Includes complimentary audio CD, "Hell's Best Kept Secret".</i></p>	Ray Comfort & Kirk Cameron
9780974930053	<p>Way of the Master for Kids</p> <p><i>Based on the award-winning TV show "The Way of the Master," the book's first part helps 3- to 5-year-olds understand God's love for them. The second part, for 6- to 10-year-olds, explains how we can know that God is real, who made God, why the Bible is true, how we know that people didn't come from apes, and why bad things happen. It also teaches kids how to memorize the Ten Commandments and helps them understand why they need Jesus, enabling them to reach their friends for Christ.</i></p>	Ray Comfort
0882701614	<p>Way of the Master Minute</p> <p><i>Ray Comfort and Kirk Cameron's 365-day devotional is a companion to their popular television series and radio program. Each devotional, clear and concise, gives the reader a one-minute lesson in being a child of God with a powerful responsibility to share our faith. Literally, you hear the clock ticking as time brings each soul closer to eternity. They close each short lesson with: "There goes another minute. Gone forever. Go share your faith while you still have time."</i></p>	Ray Comfort

9780974930039	What Did Jesus Do? A Call to Return to the Biblical Gospel <i>What Did Jesus Do? examines the biblical use of God's Moral Law (the Ten Commandments) in witnessing, showing that not only did Jesus use the Law evangelistically, so did Peter, Paul, James, Jude, John the Baptist, and Stephen. So did Spurgeon, Wesley, Whitefield, and many others through the ages. Each of these men of God did what Jesus did: they used the Law to reach the lost. In a day in which many crucial truths are neglected, Ray Comfort calls the Church back to the way of the Master Evangelist, to consider "What did Jesus do?" and then to go and do likewise.</i>	Ray Comfort
9780974930015	What Hollywood Believes: An Intimate Look at the Faith of the Famous <i>This unique publication shares the spiritual beliefs of over 120 top Hollywood stars from past and present, such as Tom Cruise, Arnold Schwarzenegger, Madonna, Peter Jennings, Winona Ryder, John Wayne, and George Clooney. The findings are both fascinating and informative, with celebrity beliefs ranging from reincarnation to the idea that God is a woman, 'a deity created in our image,' or "a shaft of light in a doorway." However, more than being merely informational, What Hollywood Believes is educational. By commenting on many of the stars' beliefs, Comfort provokingly stirs readers to examine their own beliefs against the most respected authority for spirituality, the Bible. This riveting book makes an excellent evangelistic gift.</i>	Ray Comfort
9780882700793	Whitefield Gold <i>The second in the "Gold" series, we introduce a collection of pearls painstakingly harvested from the work of the "Trumpet of the Great Awakening," George Whitefield. 606	Hell's Best Kept Secret <i>Why are so many unbelievers turning away from the message of the gospel? Doesn't the Bible tell us how to bring sinners to true repentance? If so, where have we missed it? The answer may surprise you. One hundred years ago, Satan buried the crucial key needed to unlock the believer's heart. Now Ray Comfort boldly breaks away from modern tradition and calls for a return to biblical evangelism. If you're experiencing evangelical frustration over lost souls, unrepentant sinners and backslidden "believers," then look no further. This radical approach could be the missing dimension needed to win our generation to Christ.</i>	Ray Comfort
605	True and False Conversion <i>Sadly there is a lack of teaching on the subject of true and false conversion within the contemporary Church. Yet the Bible is full of instruction on this vital subject. Through this DVD you will learn about: The cause of a false conversion; the incredible key that unlocks the mystery of all the parables; the six characteristics of a false convert; the factor that proves the genuineness of a true convert; and much more.</i>	Ray Comfort

608	Science of Evolution <i>This DVD is unique in that it doesn't follow the usual format of Christian experts exposing the theory. Instead, it lets evolutionary believers put their own foot in their own mouth, simply by asking them probing questions. Join Kirk and Ray as they take an orangutan to lunch, and call major airlines and ask if a "relative" can join them on a plane. The graphics on this DVD have been designed so that there is no indication that it is Christian or anti-evolution. The content is derived from episode 21 of the Way of the Master series.</i>	Ray Comfort
	A Full House of Growing Pains <i>Barbara Cameron was a typical Southern California mom. She wanted her children to live happy and successful lives, but as they grew up, they turned out to be anything but typical. Two of her four kids became actors on wildly successful sitcoms. Candace played D.J. Tanner on "Full House," and Kirk played Mike Seaver on "Growing Pains." You will be delighted as you see never before seen home movies, look into family photo albums, watch video clips, and meet all of her family in this exciting, intimate, moving, and sometimes humorous DVD, as Barbara and her kids reveal what it was like to grow up in the unique culture of Hollywood.</i>	Barbara Cameron

	<p>The Case for Atheism. There isn't One <i>"If I face God on Judgment Day, I will tell Him to go to hell."</i> <i>Those are the shocking words from Dan Barker, president of the Freedom from Religion Foundation. Here is the punch line. For 17 years, Dan Barker was an evangelical pastor. Todd Friel, host of The Way of the Master Radio debated Mr. Barker to resolve the question, "Does God Exist?" In this DVD, not only will you witness the debate, but you will also learn:</i> <i>1. How does someone go from being a Jesus lover to a Jesus hater? 2. How to witness to an intellectual without being intimidated. 3. How to defend your Christian faith when confronted with atheist arguments.</i> <i>You do NOT need to know every apologetic argument. You do NOT need to know everything about evolution. You do NOT need to know everything about religious history. But you do need to know how to wield the two weapons that God has provided us. After watching this DVD, you will know how to use this artillery so you can witness to ANYONE. And most important, you will never be responsible for creating another bitter backslider like Dan Barker.</i></p>	Todd Friel
